THE PARRIMAC

1959

PARRY McCLUER HIGH SCHOOL

Buena Vista, Virginia

Foreword

As we, the Class of '59, graduate, we are taking one step toward the future---a future which may hold great things for the world in the form of space travel and atomic power.

It is in this world of momentous happenings that we, as individuals will strive to attain our goals and achieve our purposes. Yet, as we work, each in our respective fields, we will retain one characteristic in common: we will gain infinite pleasure from dwelling on cherished memories of the past--our days at Parry McCluer.

It is the hope of those who have worked together on this, "The Parrimac of 1959", that when these pages are read and reread in years to come, they will recall to your mind these pleasant memories and days in their proper respect as the best days of your life.

Class Prophecy

Oh, hum! What a lazy summer day! Thank goodness, Mr. Camden is out of the office playing golf, and I don't have to keep busy. De, de, dum, I think I will just fiddle around and see what I can find. I don't believe I have cleaned out the records since I took Miss Sizer's place after she got married. My heavens, but these files are old! Why, here is the file on the Class of '59. Tee hee, nobody's looking, so I'll just look into it and see what has happened to all of my classmates. Cough, cough! Oh, the dust is terrible!

Remember how well Tommy Huffman and Beverley Seay could dance together? Well, inspired by their winnings of dance contests while in high school, they formed a partnership known as Seahuff's International Dancing School. They have studios all over the world and also on the planets Mars and Venus.

Of course, we all know what Peggy Dudley is doing now, after seeing her on the Academy Awards T. V. program from Hollywood. That was her fourth award for hair styling at M. G. M. Studios, and she has really "gone Hollywood."

And Billy Wells! How well I remember his silly drawings in all of his books, just to pass the time away. But his talent paid off, and he now has regular exhibits in Greenwich Village, New York. Rumor is that he has had an offer to teach art in Paris, but he has given no decision as yet.

Speaking of Paris, Patricia Justice is now famous for her dress designs, since becoming manager of the Dior Studios in Paris.

And Emma Jean Hall, a good friend of Patricia, is not entirely separated from her. You see, Emma Jean is head stewardess for T. W. A. and arrives in Paris weekly.

And Sheldon Sorrells, who wanted to be a lawyer, finally made it; but when one of his cases was being televised, he was discovered by a T. V. scout and has now taken over the Perry Mason series.

Remember how well Carolyn Slough could act? Well, she put her talent and shorthand knowledge together and is now seen as Sheldon's secretary on the same Perry Mason series.

Alice Truslow has made quite a name for herself, as she became Skating Queen of the World. She is known as "the Sonja Henji of Roller Skates."

Clyde Moore, known for his fluent shorthand and speed in typing, put both of these valuable assets to use and became head of the American Bankers Association.

William Clements, that industrious young fellow in our class, is President of the 250 Quality Supermarkets in the State.

Janet Anderson has her hands full with twin boys, but their father uses some of V. P. I. discipline on them, and Janet just smiles.

If any of you have any mental troubles, just go to Frankie Hogan, who has become a proficient psychiatrist.

By the way, be sure not to drive too fast while in the state of Virginia, because you might get caught by Ernest Lawhorne, who has become Head State Trooper.

Remember Janie Patterson and how she used to clown around? Well, believe it or not, she has made it her profession. She can now be seen as the clown in ther center ring of Barnum and Baily Circus.

And Faye Greene drops in now and then to check on one of her students. You see, she teaches History and English in the 8th grade now.

And Billy Davis! Remember how quiet he was? Well, he surprised everyone by becoming Commander-in-Chief of the Armed Forces.

Peggy Spence is now the head detective at Spence's Private Detectives, Inc. I hear that she is quite successful and always gets her man.

Phyllis Moore teaches Phys. Ed. at National Athletic College, and she has her own T. V. show on which she demonstrates exercises for home viewers.

Bing Floyd had to sell his nickname, when it was discovered in the 1959 annual, because it was copywrited by a certain singer a long time ago. He was paid quite a sum of money for it and has now retired.

Carolyn Blosser can be seen every weekday on A. B. C. television as Mistress of Ceremonies on American Bandstand.

"Doc" Berry, believe it or not, became a doctor.

Mary Page Shewey is famous for her T. V. program, "Success Through Beauty," and she has live demonstrations, too.

Carolyn Rogers now travels around the world, modeling fashions in her job as "The Neat Miss America."

Eddie Long, who is world famous for his work on rockets at Cape Canaveral, has been given the Pulitzer Prize, honoring him as the Nuclear Physicist of the Century.

Shirley Moody, while her husband teaches at Washington and Lee, is head Biologist at the women's affiliate, Custis and Madison.

Jessie West now writes a column for the New York Times known as "Advice to Sweethearts", a subject in which she majored while in high school.

Bonnie Camden, if any of you ever see her, will expect to be addressed as General Camden, which is her title in the Women's Division of the Marines.

Among the housewives on our list are Peggy Carter and Zeanette Entsminger. They do have their hands full these days with all their children.

Mary Chaplin has married a football player and lives in sunny California.

Jesse Wilmer has now become a minister in the state of Kentucky.

Robin Lawhorne is head nurse at Stonewall Jackson Hospital, and she also introduced the new chemise nurse uniform.

"Babo" Withers now travels around the United States as a home demonstration agent. And guess what she demonstrates! Ajax, of course.

Charlene Hostetter has become head cook in Parry McCluer's new enlarged cafeteria.

Dickie Gilbert designs cars for the Ford Motor Company, and his newest models are much better than those old Thunderbirds.

Ronnie Shafer is now a jet test pilot for the Air Force. In fact, he can take a jet up and bring it dosn so fast, that you don't even know it's gone.

Glenn Cunningham now writes a Hollywood gossip column. He is known as the male version of Louella Parsons.

James Duff is now owner of 300 chain restaurants, each one known as Duffy's Tavern.

Bonnie Arthurs is now author of many well-known mystery stories. She is known as the female Alfred Hitchcock.

Willie Brantley became an undertaker, after becoming interested in his role as one, in the Senior play.

Ila Carter is now the owner of those famous dog farms in England, known as the Karter Kennels. Her favorite word these days is "Tally Ho!"

Norvelle Decker has become a hostess on the French Rivera, where she entertains the best of the international set.

Johnny Greene has become a featured dancer on the Arthur Murray Party. He is just the rage these days.

Gwynn Grow now runs the roulette table at the biggest casino in Las Vegas.

Jimmy Hickman became a judge in the Juvenile Court here in Buena Vista, and I hear that he really gives those boys a time.

Mary Lee Jennings has now taken Dodi Goodman's place on the Jack Paar Show.

Tommy Puckett has become an importer of foreign sports cars, and his best customers are movie stars.

Charlotte Ramsey has become a famous foreign language interpreter, and she is very valuable at the United Nations Headquarters.

Loretta Secrist now dances the charleston at the Moulin Rouge in Hollywood.

Johnny Snider, of course, coaches basketball at Cornwall Tech, and he has put his team in top position.

"Mush" White has now become a professional dog-sled driver, and you all know the word he uses to start the teams.

Paul and Marlene Felton have been happily married since their Senior year, and they now have four children.

Dorlene Coffey has taken over Little Lulu's job of pulling Klennex tissues out of a box on the Perry Como Show.

John Lanum has become a train announcer at Grand Central Station.

Helen Covington is a home demonstration agent for the Singer Sewing Company.

Well, well, it seems as though my dear old classmates have been doing pretty well for themselves. Oh, for just one more day back in school with them all again. But, as you all know, Time passes on. And speaking of time, Mr. Camden is due back any minute now, and I must put these files away and stop day dreaming about the Class of '59.

S.C.A.

The History of Parry McCluer's S. C. A.

The school year of 1959 marks a milestone for Parry McCluer High School because of the new S. C. A. that was organized.

The actual planning for the present S.C. A. of Parry McCluer began in 1957, when Janet Anderson, Jane Lee Hickman, Bobby White, Johnny Greene and Miss Virginia Iannuzzi attended an S.C.A. District meeting at Wilson Memorial High School in Fishersville.

In September, 1958, the faculty and students of Parry McCluer approved the proposed S.C.A. Following their approval, elections were held for the first S.C.A. officers of Parry McCluer.

The students elected the following officers after an exciting and unforgetable election: Norvelle Decker, President; Joe Byers, Vice-President; Jane Green, Secretary, and Gregory Paynter, Treasurer. Miss Virginia Iannuzzi was appointed by the principal to serve as the S.C.A. sponsor. Janet Anderson was appointed by the President to be the S.C.A. Reporter.

The Student Cooperative Association has a well organized constitution and by-laws. The S.C.A. joined the State S.C.A. and representatives attended the State Convention at Madison College in April.

Snider Sets New School Record; Leads Blues To NB Win

Johnny Snider turned in the best performance of his career, scoring 45 points, getting 28 rebounds and holding N. B.'s Maurice Worth to 3 points, as the Blues downed Natural Bridge 82-56 in a District 5 game Friday night.

Snider also proved why District 5 coaches and sportswriters rate him the number 1 player in the district. Johnny White was a close second in the rebounding department as he pulled 21 off the boards. K. E. Fitzgerald was the only other Blue's player to get into the double figures as he contributed 12 points. Aldridge had 15 and Grim had 13 to lead the Rockets.

Snider made it look so easy as he stole the ball numerous times and blocked shots all over the floor as the Blues remained on the top of District 5 heap with a 6-0 record. Parry McCluer is also one of the 12 still unbeaten Group II teams in the state. The Blues will be back home Friday night to meet seventh ranked Wilson Memorial in what could be a rather close game. This team is of championship caliber and given a few breaks could go all the way so get out and give the Blues your support.

F. B. L. A.

On Thursday, October 2, a new FBLA was formed at Parry McCluer. There was an election of officers and they are as follows: President, Judy McElroy; Vice President, Dina Albanese; Secretary, Mary Frances Tomlin; Treasurer, Drema Flint; Reporter and Historian, Judy White. The sponsors are Mr. Jarman, Mrs. Mead, and Mr. Camden.

Class Rings Arrive

Did you hear a roar go up Tuesday afternoon? If you did, it is because at long last the senior's class rings have arrived. The long awaited for day finally came and now we as seniors can say that we really feel that we are the upperclassmen.

Senior Trip

The senior class will leave bright and early Saturday morning, November 22, to attend the annual senior day held at the University of Virginia in Charlottesville. As part of their outing they will visit the historic Monticello, home of Thomas Jefferson. Later in the day they will be on hand for the University of Virginia's game.

The Junior Red Cross of Parry McCluer High School was organized in December. The following officers were elected to serve the remainder of the school year: James Duff, President; Faye Greene, Vice President; Dina Albanese, Secretary and Treasurer; Betty Lineberry, Reporter; Ronnie Coleman, Captain of Messengers; John Dickinson, Sergeant-at-Arms; Miss Arrington and Miss McNeil, Advisors.

Library Club News

On Monday, November 10, the Library Club met in the Library at 6:30 p. m.

Sniffin' Around

The Sniffer is back again with more news. I seem to have recovered somewhat since last week.

Joyce Lindsay, why is it that you love Newport News so well? I hear that Peggy F. likes it for the same reason. Could it be because of B. Y.?

Carol S. what happened to your great friendship with K. G.?

Sonny B., I hear that you like a certain girl from Collierstown. Good luck to you!

Janice Hall and Billy S. seem to be getting along very nicely together.

Faye C., whose bracelet are you wearing? Let us in on your secret.

Attention everyone! Charlotte W. seems to have a new interest with the initials H. S.

Let's add a new steady couple to our list—Ronald C. and Mary F.

Who is this Helen R. has a crush on? Is it S. L., Helen?

We have two girls at our school who seem to be quite busy preparing for their December weddings —Zeanette G. and Shirley F. Good luck to you both.

Emma Jean H. seems to have an admirer. Are we correct in saying his name is Leon Hartless?

"Babo" W., who took you home from the dance Friday night?

Joe Byers, who is the cute little blonde who is wearing your ring? Isn't she Mary Ann Davis from Natural Bridge?

James C., what did you do over the weekend?

Bo Henson and Linda F. seemed to have had a nice time Friday night.

All of the Seniors seemed to have had a wonderful time Saturday. If you would like to know all about the trip, just ask them.

Louise H., did you have fun at the dance Friday night?

Jerry and Beverly, didn't we see you at the dance Saturday night?

Some of the other couples at the dance were Hunter F. and Elaine B., Don S. and Juanita F., "Monk" and "Babo", Jimmy H. and Lorraine T., and Paul and Marleen. Of course, all of our steady couples were there, too.

Bing F. and Linda Faye L., didn't I see you and Jane G. and Danny K. at the Redwood after the dance? Did you all have fun?

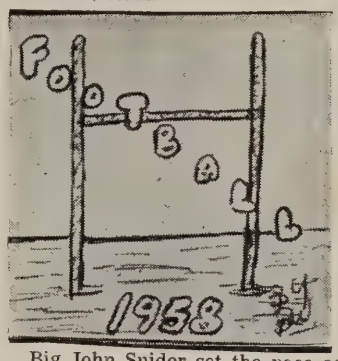
Assembly News

On Tuesday, January 27, Mr. F. W. Kling spoke in an assembly program. His talk was concerned with the education that is made available to students.

After Mr. Kling's interesting speech, letters and certificates were awarded to the boys who had participated in basketball, football, and baseball. Mr. C. Lewis Graybill received a letter for his helpfulness and encouragement toward the team.



Big John Snider set the pace as the "Fighting Blues" rolled to a 34-13 victory over Clifton Forge on the "Mountaineers" home field and thereby remained tied with the Scarlet Hurricanes of Lexington for first place as Lexington slipped by Waynesboro 19-14.

Clifton Forge managed to hold the Blues scoreless for one quarter but then the dam broke as Joe Wheeler hit Snider with a 40-yard touchdown strike and the Blues were off and running. After Parry McCluer kicked off, Snider broke into the Clifton Forge backfield, intercepted a pitchout and raced 35 yards for the second Blues' touchdown. A Wheeler to Snider pass was good for the extra point and Parry McCluer had a 13-0 lead. Joe Wheeler capped a 58-yard T. D. drive by going over from the 3-yard line. The extra point was added and Parry McCluer led 20-0. The 'Mountaineers' managed to pass over one T. D. before the half as Burton banged our tackle from the 3-yard line Burton added the P. A. T. and at halftime it was 20-7 in favor of the Blues.

The "Mountaineers" stormed back after the intermission as Shelton scored from the 5 and pulled Clifton Forge within striding distance at 20-13.

Another Wheeler to Snider pass covering 45 yeards put the Blues out of reach as the score rose to 27-13. Ollie Stinnett and Bo Moran contributed single T. D.'s to the rout as the Blues notched their seventh consecutive District 5 win

Scoring T. D.'s John Snider, 3; O. Stinnett, 1; Bo Moran, 1; Extra Points: J. Snider, 1; B. Snider, 1; Bo Moran, 2; Clifton Forge T D.'s, Burton, 1; Shelton, 1.

Our senior boy this week is one that is very popular among his fellow students. He participates in basketball and has formally been in two plays, which his class has held. Last year he was President of the Red Cross and also Vice President of the Junior Class. This year he is President of the Senior Class and President of the Beta Club Federation. He is six feet tall, has sandy haid and blue eyes. His nickname is "Percy" or "wells" and he is well known for his magic tricks. In case some of you haven't guessed who this senior lad is, here's some more help. His initials are B. A W.

Our Senior girl for this week should be an easy one to guess because she's very a popular gal, lady is about 5 feet 4 inches tall and weighs 107 lbs. She is active in many clubs including the Library Club, Pep Club, and G. A. A. She is also a very good student and is a member of the Beta Club and Annual Staff.

This Senior girl is Vice President of her class, is a cheerleader and likes "Minks" (especially one.) In case you still don't recognize her, her initials are S. M. M. Know her now?

Pep Club Meeting

At the regular meeting of the Pep Club on Monday, October 27, Marolyn Sandidge was elected as representative to the newly-formed Student Cooperative Association. It was also decided that this club would sponsor a dance on Saturday, November 8.

Forensic Club

The Forensic organization of Parry McCluer held a meeting Thursday night, with Miss Iannuzzi, the Forensic sponsor.

At the meeting, Miss Iannuzzi told the members of coming Forensic meetings and the plans that had been made concerning them.

Plans were made for the organization's entries in drama, public speaking, poetry, and prose readings, and spelling. All of the members will enter one of the above entries and will compete with other schools.
